**STATEMENT OF ISSUES AND DESIGNATION OF RECORD ON APPEAL FROM  
 ORDER EXPUNGING CLAIM NUMBER 5 ENTERED BY THE BANKRUPTCY

360networks Corporation ("360networks"), by and through its undersigned counsel, pursuant to Rule 8006 of the Federal Rules of Bankruptcy Procedure, hereby submits its statement of the issues to be presented and designates the record on appeal to the United States District Court for the Southern District of New York with respect to the order of the Bankruptcy Court expunging claim no. 5 of 360networks Corp., entered as docket number 951 in this case on January 2, 2008, the post-trial decision expunging claim no. 5, entered as docket number 946 in this case on December 13, 2007, the opinion and order of the Bankruptcy Court granting in part and denying in part cross-motions for summary judgment, entered as docket number 642 in this case on June 28, 2005, and the opinion and order of the Bankruptcy Court granting limited reargument, but upon reargument, adhering to the original decision, entered as docket number 690 in this case on November 10, 2005.

Issues to be Presented on Appeal

1. Did the Bankruptcy Court err in concluding that despite the fact Asia Global Crossing Ltd. (“AGC”) anticipatorily repudiated AGC’s Guaranty of GC Bandwidth’s obligations to 360networks under the Master Agreement, 360networks still had to prove it was ready, willing and able to perform under the Master Agreement solely to recover 360networks’ \$100 million prepayment under the Master Agreement?
2. In determining whether or not 360networks was ready, willing and able to perform under the Master Agreement, did the Bankruptcy Court err by either: (a) overstating or misapplying 360networks’ burden of proof by, inter alia, requiring 360networks to show an actual plan to order Asian capacity, or (b) making inferences favoring the Chapter 7 Trustee for AGC instead of in favor of 360networks as the nonbreaching party?
3. Did the Bankruptcy Court err in holding that AGC did not anticipatorily breach its Guaranty earlier than January 29, 2003?
